

Spanish KS3

The aim of the KS3 MFL curriculum is to encourage students to develop a thirst for learning foreign languages and a conscious reflection on their home language. It sequences the learning of grammar and aspects of foreign cultures so students are stimulated to become more resilient learners and world citizens. They are also given opportunities to express their opinion and views on a variety of topics which further enhances their cultural capital. This is provided via stimulating and inclusive pedagogies so students can achieve the best outcomes.
