

**Personal, Social, Health and Economics (PSHE) KS3**

*PSHE (personal, social, health and economic) education is a school curriculum subject through which pupils develop the knowledge, skills and attributes they need to manage their lives, now and in the future. PSHE education **helps pupils to stay healthy, safe and prepared for life – and work** – in modern Britain. It is part of the ethos of the academy where every student’s spiritual and moral development is at the centre of all that we do.*
