Post Result Services (PRS) Guide 2026

If you are dissatisfied with your exam results, the table below explains what services are available following the publication of results.

Post Result Service	Details
Clerical Re-check (Service 1)	This service checks that all administrative and clerical procedures have been completed correctly. This includes confirming that: • All pages of the exam script were marked. • All marks were added correctly. • The final result accurately reflects the marks awarded.
Review of Marking (Service 2)	This service reviews the original marking to ensure that the agreed mark scheme was applied correctly. It is not a re-mark of the exam paper. Students requesting a review should be aware that there are three possible outcomes: • The mark/grade remains unchanged. • The mark/grade increases. • The mark/grade decreases.
Priority Review of Marking (Service 2P)	Same as Review of Marking, this service is priority service available to GCE (A-level) students whose university or higher education placement depends on the outcome of the review. Exam boards aim to complete priority reviews within 15 calendar days of receiving the application.
Access to Scripts (ATS)	Students may request a priority copy of their script to help decide whether to apply for a review of marking, or a copy for revision/information purposes only. Any request to access scripts will incur a £5 admin fee per paper.
Review of Moderation (Service 3)	This service reviews the original moderation of internally assessed coursework to ensure marking criteria were applied fairly and consistently. It is not a re-moderation of individual candidates' work. Moderation reviews are available for whole subject cohort only. Reviews may not be completed in time for university deadlines. Please email exams@tpc.academy for this service
