

- We are a facilities services company, providing a range of services for public and private sector clients across London and the South East
- We pride ourselves in offering a wide range of services to meet all the needs of our clients, improving the environment in which we live and work whilst **always** caring about the communities where we operate
- We take pride in quality delivery, really listen to the needs of our customers, and focus on being a true business partner
- We build lasting relationships with our clients, suppliers and other stakeholders, being big enough to deliver a quality service yet small enough to care

A leading provider of school catering

- We deliver a range of bespoke catering services to schools across London, including Secondary, Primary and Specialist Educational needs.
- Serving over 2.5m fresh, seasonal meals annually.
- We deliver healthy, balanced nutritional meals in line with the school food plan
- We are an accredited Food for Life and Healthy Schools London Provider.
- We consciously work with schools and our local suppliers to minimise our environmental impact.
