### Statement of Commitment in achieving The Quality in Careers Standards (Investors in Careers)

We are very proud of our careers provision at The Palmer Catholic Academy and are working towards meeting the 'Gatsby Benchmarks' for careers education, including careers guidance meetings, encounters with employers and employees, experiences of workplaces (Years 10 and 12), encounters with further and higher education establishments and linking our curriculum to careers learning.

The Palmer Catholic Academy is fully committed to becoming accredited with 'The Quality in Careers Standard' through working with provider Investors in Careers Ltd.

We will have:

- A whole school commitment to achieve The Quality in Careers Standard.
- Mr Moss (Director of Careers) will have regular contact with the Investor in Careers team to inform them of our progress.
- Make timely and regular progress towards completing each stage with agreed timetables.
