

A guide to this 3-year scheme of work

Unit:

Units are colour coded by topic area for convenience.

Ref:

This column indicates chapter and section. Each section contains **two** lesson spreads; the first is a skills second is an applications lesson focussing on reasoning and problem solving.

GCSE Ref:

This column indicates the GCSE objective statements covered in the section. The subject content issued the Edexcel GCSE Objectives sheet; letters in brackets indicate parts of objectives that are not covered i

GCSE Objective statement:

The objective statements have been colour coded to indicate level. **Pink** indicates basic foundation cont content and **green** indicates **higher content only**. Parts of the objective that are not covered in the sect

MyMaths:

These codes refer to lessons on MyMaths.co.uk which are appropriate to the section.

lesson focussing on mathematical fluency, the
